Dear Leigh

Following on from my annual review of our various learning and development programmes, and having spoken to the various Partners and Senior Manager with whom you have worked with over the past year, I would like to thank you for the work you have undertaken.

The comments from everyone within the firm, whether in respect to the one to one coaching or the team building workshops, have all been extremely positive. Everyone has spoken of your professionalism, insights, creativity, enthusiasm and commitment to helping them achieving their individual goals.

I am confident that your services have provided excellent value for money and that you will continue your involvement with the firm during the next financial year.

On a final note I would be happy to provide a reference or to recommend your services to anyone or any organisation that wishes to appoint a performance improvement coach as a method for improving individual/team effectiveness.

Yours sincerely

Holly Edwards
